## ABOUT THE PROGRAM

A recreation-focused program that blends fun, engaging activities with meaningful opportunities for skill-building and learning. It provides a structured and supportive environment where participants can enjoy their summer while building friendships, exploring interests, and staying active in their community.

Designed to be both enjoyable and enriching, the program meets participants where they are, offering the right balance of recreation, learning, and support. The goal is to foster confidence, encourage independence, and create meaningful summer experiences that promote both personal development and a strong sense of community.
